NAME OF SOCIETY: THE HEALTH OFFICERS COUNCIL OF BRITISH COLUMBIA

Incorporation Number: S0038394

Business Number: 80264 1316 BC0001

Filed Date and Time: October 1, 2017 07:08 PM Pacific Time

The name of the Society is THE HEALTH OFFICERS COUNCIL OF BRITISH COLUMBIA

The purposes of the Society are:

1. To advise, assist in development of, and advocate for public policies, programs and services that are directed towards improving and protecting the health of the population, and reducing health inequities, This includes identifying measures for improvements in the planning, development, administration, and evaluation of population and public health services such as health assessment and surveillance, disease and injury prevention, health promotion, health protection, community health and all other prevention focused health services.
2. To provide a forum for the education of members in new scientific and other developments with respect to the activities in section 2.1.
3. To provide a forum for the Provincial Health Officer, government ministries, health related governing bodies and any other individual or organization to discuss plans and reports and obtain feedback.
4. To support public health worker education and public and population health research.
5. To charge and collect fees, to receive donations, and to expend moneys to defray expenses and to promote and further any of the purposes of the Society.
6. To perform such other lawful things as are incidental or conducive to the above purposes.
